The Kay County Systems of Care Project is a comprehensive spectrum of services, which provides support to children and adolescents with mental, emotional and behavioral impairments and to their families. Services are child centered, family-focused and community based.

The following criteria are the guidelines for involvement:

- Have behavioral/emotional symptoms that suggest a diagnosable emotional disorder
- Be ages 4 through 20
- Living in Kay County and have a parent, guardian or foster parent living in Kay County
- Have a significant difficulty that has or is expected to last for a year or more due to his/her serious emotional and /or behavioral disturbance
- The child needs, has received, or has requested services/support from two or more support systems
- Be at risk of out of home or school placement due to the impact of the serious emotional and / or behavioral disturbance.

An Interdisciplinary Review Team will review the referral and make the determination of approval into the Kay County Systems of Care (see below for more information). Upon approval a Care Coordinator will contact the family.

INSTRUCTIONS:

The following four-page referral form and release must be read and filled out completely by the referral source and the parent/guardian. The diagnostic information is helpful if available. The parent/guardian's initials by the following bullets and signature on the accompanying release must be present for the referral to be considered by the Review Team.

- An Interdisciplinary Review Team, for approval into the Kay County Systems of Care, will review the following referral form. The Review Team consists of, but may not be limited to, representatives from the following agencies: Edwin Fair Community Mental Health Center, Department of Human Services, Office of Juvenile Affairs, Kay County Health Department, Northern Oklahoma Youth Services, Area School Systems, NAMI Oklahoma, and Parent Representatives.
