A SYSTEM OF CARE FOR OKLAHOMA COUNTY

We have received a referral for your family to participate in the wraparound process. Thank you for considering our program as a way to improve your family's life. The next page describes this process, what you need to know and what you can expect. You will soon be contacted by a family support provider or a care coordinator to schedule a time to visit with you about our program and what you and your family's needs are. If you decide our program is not what your family wants or if we think our program is not a good fit for your family, then a more appropriate referral will be made.
