Rogers County Wraparound is a comprehensive spectrum of services, which provides support to meet the multiple and changing needs of children and adolescents with mental health, emotional, and / or behavioral difficulties, and to assist their families. These “wraparound” services are youth-centered, family-focused, and community based.

The following criteria are the guidelines for involvement of children / adolescents ages 4 to 17:

- The youth has behavioral/emotional symptoms that suggest a diagnosable emotional disorder.
- The youth is having significant difficulty that has lasted or is expected to last for a year or more due to her/his serious emotional and/or behavioral disturbance.
- The youth needs, has received, or has requested services or support from two or more systems.
- The youth is at risk of out-of-home or out-of-school placement due to the impact of the serious emotional and/or behavioral disturbance.
- The youth and her/his parent, guardian, or foster parent resides in Rogers County.
- The family volunteers for this service and agrees to actively participate, if approved.

The Referral Team (an interdisciplinary review team) will review this referral and make the determinations of approval into the process of Rogers County Wraparound (see below for more information). The family and referral source will be notified of the Referral Team’s decision.

INSTRUCTIONS:

The referral source should complete the four-page referral form and release form—it is important to have the parent sign the release form to allow wraparound staff to discuss this referral with the referral source. Any diagnostic information is helpful, if available. The parent/guardian’s initials by the following bullets and signature on the accompanying release must be present for the referral to be reviewed by the Referral Team. Upon receiving a referral, the family and the referral source will be contacted by wraparound staff.

- The Referral Team reviews all referrals. The Referral Team may consist of but not limited to, representatives from the following agencies: Grand Lake Mental Health Center, Department of Human Services, Office of Juvenile Affairs, Public Schools, and Parent Representatives.
